## LAMAR GIVES 365 GRANT FINAL REPORT

Please complete this form (include additional pages if needed) and project financial summary and return to the Community Foundation of Central Georgia. If you apply for another grant from the Community Foundation, a final report for all previously received grants must be on file.

The project financial summary should include a list of revenue sources (pending and received) with amounts for each and a list of the project budget and actual expenses by category. Also, please detail the items in the budget for which the Lamar Gives 365 grant was used. If the grant funds are not expended for their intended purpose within one year of the grant issuance date, they must be returned to the Community Foundation unless written authorization has been obtained from the Community Foundation prior to the deadline.

Please note that this report is designed not only to help the Community Foundation of Central Georgia evaluate the Lamar Gives 365 Grant Program but also to be used as a tool to help grantee organizations evaluate their programs. We encourage you to share the challenges you encountered with your project. This information will not be used against you but instead will be used as a tool to improve future programs and grants.
