The Rotary Education Foundation of Macon

The Rotary Education Foundation was established by the Macon Rotary Club for the purpose of assisting deserving and needy students to attend college. Scholarships are granted to qualified students for the purpose of attending an accredited college or university full time. Most scholarships are granted for a period of one academic year, and may be renewed for one or more additional years, up to a maximum of four years. Scholarships are granted to undergraduate students only.

Scholarships may be granted without subsequent obligation of the student to the Rotary Scholarship Foundation. However former recipients are urged to make contributions to the Foundation when their circumstances permit. Although scholarships are granted primarily to students who are residents of Central Georgia, an out-of-state student may be awarded a scholarship to attend Mercer University or Wesleyan College in Macon.

GENERAL REGULATIONS AND PROCEDURES

Scholarships are awarded for one academic year. Priority is given to students who currently receive one of the Rotary Foundation Scholarships

Scholarships are awarded for the purpose of attending a specific institution and may not be transferred to any other institution except by authorization of the scholarship trustees. Awarded funds are sent directly to the approved institution.

The scholarship awarded to a student will be revoked or discontinued if a student fails to maintain a minimum grade of 'C' in each course for one quarter or semester, is not enrolled as a full time student, is placed on suspension by the institution, or if financial circumstances of the student no longer require funds from the Rotary Foundation.

Additionally a student receiving a "D" in any class is placed on probation. A second "D" (or 2 "D's" in one grading period) or an "F" at any time terminates the scholarship
